Re: OAC 3301-51-11 Preschool children eligible for special education.

I am in receipt of your February 3, 2020, memo recommending that the Ohio Department of Education proceed with its amendment of rule 3301-51-11 Preschool children eligible for special education.

I understand that the CSI office does not have any recommendations and has concluded that ODE should proceed with the filing of these rules with the Joint Committee on Agency Rule Review.

If I can be of further assistance, please don't hesitate to contact me.
