Subject: Agency Response Memorandum – Boiler Operator and Steam Engineer
Experience Requirements (OAC 1301:3-5-10)

The Division of Industrial Compliance (DIC) has reviewed the response from the CSI Office regarding proposed rule, Boiler Operator and Steam Engineer Experience Requirements (OAC 1301:3-5-10). The CSI Office provided no recommendations regarding this proposed rule and concluded that DIC should proceed with formal filing with JCARR. DIC is filing the proposed rule accordingly.
