On August 6, 2024, the Ohio Casino Control Commission (“OCCC”) received the Common Sense Initiative Office’s Recommendation Memorandums (“CSI Recommendations”) for the above-listed rules. The OCCC is grateful for the timely response from the CSI Office.

The CSI Recommendations stated that the CSI Office has no recommendations on these rule packages and concluded that the OCCC should proceed in filing the proposed rules with the Joint Committee on Agency Rule Review.

At this time, the OCCC plans to move forward with the original filing of these rule packages with the Joint Committee on Agency Rule Review.
