Re: Response to CSI Review – Proxy rules (OAC 3901-02-01 through 3901-02-15)

On July 15, 2024, the Ohio Department of Insurance (the Department) received the Recommendation Memorandum (CSI Recommendation) from the Common Sense Initiative Office for rules 3901-02-01 through 3901-02-15, which establish procedures that domestic stock insurance companies must follow when soliciting proxy, consent or authorization from security holders.

The CSI Recommendation stated that the office does not have any recommendations regarding this rule package, and therefore should proceed with a formal filing of the rule package.

At this time, the Department plans to move forward with the filing of this rule package with the Joint Committee on Agency Rule Review.
