

MEMORANDUM OF RESPONSE

OLDER AMERICANS ACT: REQUIREMENTS TO INCLUDE IN EVERY AAA-PROVIDER AGREEMENT

To: Caleb White, Business Advocate, CSI

Cc: Joe Baker, Director, CSI

From: Tom Simmons, Rules and Policy Administrator, AGE

Date: September 19, 2025

Thank you for reviewing the Department of Aging's (AGE's) proposal to amend rule 173-3-06 of the Administrative Code.

Because the Common-Sense Initiative (CSI) did not make any recommendations regarding this rule and concluded that AGE should proceed with filing the rule with JCARR, AGE will now file the rule with JCARR.

Thank you for your work.
