Memorandum

To: Ethan Wittkorn, CSI

From: Andrew Makoski, Attorney 5, Medical Marijuana Control Program

Date: December 13, 2021

Subject: THC Definition update Memorandum of Response

The Department of Commerce submitted a proposed rule update to CSI on July 14, 2021. The Department received a CSI recommendation for the proposed rule package on September 1, 2021. CSI had no recommended changes.

Having sought input form stakeholders prior to submission to CSI, and having received no comments during the public comment period, the Department intends to move forward with submission of the proposed rules updates to JCARR as it was submitted to CSI.
